1. Your names and where you moved from?

Moshe, Estee, Ozzie and Eliana Gelman. We moved here from Pittsburgh in 2022.

2. What's been the highlight of your time living in Plano so far?

We love the library system, the parks and the hot weather!

3. What are your jobs and what do you enjoy about them?

Moshe: I am a software engineer and founder of pipefreemerica.org. I love tinkering and solving problems.

Estee: I work part time at TDSB and enjoy working with kids.

4. If your life had a theme song, what would it be?

Moshe: Lemon Pound Cake.

Estee: Cake by the Ocean

Ozzie and Eliana: anything that mentions pizza

5. What is your favorite Torah topic to learn about?

Moshe: I enjoy reading the scholarly sefarim that Rabbi Pinkus brings to shul.

Estee: learning halacha with my partner in Torah - Chana Rivky!

Ozzie- anything Rabbi Lomner teaches

Eliana - anything about insects that Morah Evans teaches

6. What is 1 thing that you think makes our shul special?

One thing that really stands out about Lev Yisrael is how welcoming everyone is to everyone. On any given shabbos, we can see one person wearing jeans, another wearing a Kapota, and a third wearing a shtreimel and brown shoes, all davening together! It's a true Kehilla.

Also - all the candy.
